Kaap Agulhas Munisipaliteit Wykskomitee nominasies

Cape Agulhas Municipality Ward committee nominations

Kaap Agulhas Munisipaliteit het die volgende kwalifiserende nominasies ontvang vir verteenwoordiging op die owerheid se wykskomitees. Wykskomitees bestaan uit tien lede elk waarvan minstens ses verteenwoordigers van organisasies moet wees, terwyl die oorblywende lede as individue op die wykskomitees mag dien. Hierdie wykskomitees dien as die vernaamste institutionele kommunikasie kanaal tussen die raad en die kiesers op grondvlak en speel hul 'n uiters belangrike rol in die geïntegreerde beplanningsproses en die lewering van formele insette op aangeleenthede wat voor die raad dien. Onder word die nominasies wat in wyksverband ontvang is en wat aan die minimum vereistes voldoen, uiteengesit. Inwoners word versoek om hulself te vergewis van die nominasies. Slegs persone wat in 'n spesifieke wyk woonagtig is en op die nasionale kieserslys geregistreer is vir daardie betrokke wyk mag tydens die wykskomitee se verkiesing stem. Dit is dus uiters noodsaaklik dat persone hul groen identiteitsdokument na die verkiesing van die wykskomitees sal bring. As u nie u identiteitsdokument by u het nie, sal u nie aan die wykskomitee se verkiesing kan deelneem nie. Die datums, tye, lokale en nominasies ten opsigte van die onderskeie wyke word onder uiteengesit:

Cape Agulhas Municipality received the following qualifying nominations for representatives on the respective ward committees. Ward Committees must have ten members of whom at least six members must represent organisations, while the remaining four members may be individuals not nominated by organisations. These ward committees serves as the main institutional communication channel between council and the voters at grassroots level, playing a crucial role in the integrated planning process and the provision of formal inputs about matters tabled to council. Residents are requested to familiarise themselves with the nominations of qualifying candidates in their respective wards. Only those residents residing in the specific ward and registered accordingly on the national voters roll will be allowed to vote in the ward committee election. It is thus very important that you bring your green Identity document to the election meeting. If you do not provide your ID document for verification against the voters roll, you will not be allowed to vote. The dates, time, locality and nominations for the respective wards are:
